```
1    const ListItem = ({ item }) => {
2        return (
3            <li>
4                {JSON.stringify(item)}
5            </li>
6        )
7    }
8
9    export default ListItem
```
